

A high-performance mouse you can take anywhere

DELL BLUETOOTH® MOUSE – WM615

DESIGNED FOR PORTABILITY

Twist the mouse flat, slide it in your pocket and take it with you to the office, your favorite coffee shop or home. Untwist the mouse and transform it to an arc-shape that fits comfortably in your hand, instantly improving your work productivity wherever your lifestyle takes you.

PRECISE AND RELIABLE

With a touch strip for precision scrolling, an infrared LED tracking sensor and smooth left and right click areas; the mouse puts accurate and reliable performance at your fingertips. Navigate quickly and work more productively with this high-performance and ultraportable mouse.

GO WIRELESS

Bluetooth® technology allows you to quickly and easily pair the mouse with Bluetooth 4.0-enabled computers and get to work. It is dongle-free, therefore does not take up an additional port on your PC.
